

AGE AND WEIGHT DIVISIONS

DIVISION: (Age is based on “League Age” determined by the players age as of July 31st of the year preceding the playing of the tournament. (i.e. if the tournament is being played in 2018 then the players age is based on July 31st, 2017)

IMPORTANT NOTE: The Youth Spring Football League (YSFL) certifies a players weight at the beginning of the season and then does **NOT** do any further weigh ins. There are game check ins every week before a game where players are checked in against their documentation, but they are NOT weighed in every week.

A player who is registered and paid to play in a given division is allowed to attempt to “make the required weight” for the first THREE (3) schedule weeks of the season. The Player may try to make weight as many times as they wish before this deadline. If following the start of the 3rd week of YSFL games, the player has failed to make their weight, then the player must be moved up to the next division roster. *Please Note:* YSFL has a no refund policy for the league for players not making the weight classification.
