

## **FSYFL EARLY DISCOUNT PROGRAMS**

The YSFL offers an Early Discount Program for teams that are interested in paying some fees earlier than the standard deadlines. Coaches may collect some early registrations from their players (or pay the amount themselves) and in return receive “FREE Player coupons” from the YSFL.

There are 2 programs the YSFL offers, each with their own deadline:

### **BUY ONE GET ONE**

For the regular tournament fee for ONE player the club will receive TWO player registrations for the YSFL Season. (Resulting in Registrations costing 50% of the cost per player) This program will be available until July 31<sup>st</sup> prior to the year of the season.

### **BUY TWO GET ONE**

For the regular tournament fee for TWO players the club will receive THREE player registrations for the YSFL Season. (Resulting in Registrations costing 66% of the cost per player) This program will be available until September 30<sup>th</sup> prior to the year of the season.

Rules for both programs:

1. A letter will be provided from YSFL to the organization stipulating the number of packages purchased.
2. The free player coupons may be used for any player on any of the organizations teams, and will simply be treated as a generic player payment, that is entirely transferable to either another team of player.
3. The cost of each package is fully refundable should the organization overpurchase.
4. The total amount paid for the Early Registration Program can be used toward the initial team deposit requirement total. This team deposit requirement is NOT an additional deposit, but each team is required to have paid a percentage of their fees by January 1<sup>st</sup> each year to secure their teams spot on the schedule.
5. Teams are entitled to “resell” these registration at whatever price they deem appropriate for fundraising purposes, or use the “free” registrations as scholarship opportunities.
