

FSYFL EARLY DISCOUNT PROGRAMS

The YSFL offers an Early Discount Program for teams that are interested in paying some fees earlier than the standard deadlines. Coaches may collect some early registrations from their players (or pay the amount themselves) and in return receive “FREE Player coupons” from the YSF.

BUY ONE GET ONE

For the regular tournament fee for ONE player the club will receive TWO player registrations for the YSF Season. (Resulting in Registrations costing 50% of the cost per player) This program will be available until approximately Sept 15th prior to the year of the season start.

Rules for both programs:

1. A letter will be provided from YSF to the organization stipulating the number of packages purchased.
2. The free player coupons may be used for any player on any of the organizations teams and will simply be treated as a generic player payment, that is entirely transferable to any other club player.
3. The cost of each package is fully refundable should the organization over purchase.
4. The total amount paid for the Early Registration Program can be used toward the initial team deposit requirement total.
5. Teams are entitled to “resell” these registrations at whatever price they deem appropriate for fundraising purposes or use the “free” registrations as scholarship opportunities or obtain a refund from YSF or use them for a following YSF season.

If you have any questions regarding this program, please call the YSF Hotline on 813 728 6747 or email sandy@youthspringfootball.com
